

Extra-Curricular Excellence

Learning and fun continues after school with our substantial list of Extra-curricular Activities available for Years 1-7. We provide a wide range of activities to cater for all different types of interests.

For the budding sports stars we have Hockey, Football, Cycling Proficiency, Tennis, Horse Riding, Gymnastics or Surfing.

Future musicians and movie stars can perfect their talents in Orchestra, Choir, Fun with Drums, Dance, Performing Arts, Highland Dancing and Speech and Drama.

For those children that are gifted in practical work and enjoy a challenge we have Make and Bake, Science Challenge, Eco Club and Stitch and Sew.

Breakfast Club

Breakfast Club begins at 8am every morning and allows pupils to enjoy a hearty breakfast in a relaxed atmosphere, under the supervision of staff and volunteers. A wide selection of cereals, fresh fruit, fruit juice and toast is available to ensure every child is 'fuelled up' ready for a busy day at school.

Our After School Care Club runs daily from 2pm by school staff, providing a happy and homely environment for our children. Activities are planned weekly, these include arts and crafts, sport and support with homework.

"At Macosquin the pupils are the central focus of our school. Our team of dedicated staff provide a positive, caring and child centred environment in which your child will be nurtured and grow, achieving their potential. We are committed to recognising and celebrating success in every child and we strive to prepare them for the challenges which life may present in the future. We warmly invite any prospective parent to contact the school for a personal tour."

High Quality Teaching and Learning

Our team of staff are dedicated and highly committed to teaching a broad and balanced curriculum which challenges all pupils.

Pupils' needs and interests are at the forefront of planning and our teachers use a wide range of active learning strategies and resources to enable children to reach their full potential.

Our school is renowned for achieving strong academic results.

A range of programmes are available to those children who may require extra support.

We believe children should experience success from an early age and be encouraged to learn from their mistakes. Our teachers provide in class motivational reward systems so that every child has goals to achieve, maximising daily learning.

A close parental partnership is vital and we work closely with you to benefit your child's learning. Our door is always open and parents are invited to curriculum evenings and workshops.

Enjoy being connected to your child's learning and achievements daily through the digital app Seesaw.

“...the quality of education provided by this school is outstanding; the quality of pastoral care is also outstanding.”
