# Gardening Day

21st September 2018

On Friday 21st September we will be having our first 'gardening day' in our new Sensory Garden. Each class will undertake a different job to prepare our garden for winter, from harvesting and weeding to tidying and planting.

Children may wear normal school uniform but should bring a waterproof coat and wellies or trainers to school on the day.

Any 'green fingered' parents who are willing to help on the day, from 10am-12 noon or 1-3pm please get in touch with Mrs McLean.
